DLNR SUSPENDS PERMITS FOR NAPALI STATE PARK DUE TO STORM WEATHER

LIHU'E -- The Department of Land and Natural Resources (DLNR) Division of State Parks -- Kaua'i has suspended the issuance of permits for the Napali Coast State Park Kalalau Trail -- both for camping and day use hiking -- for public safety, due to poor weather conditions and a forecast for heavy rain today and tomorrow. Under these conditions the trail will be slippery and the streams may flood.

The park caretaker will check the Kalalau trail on Wednesday morning. Permits will again be issued starting on Wednesday, Nov. 19, if weather conditions have improved. For information call the Division of State Parks office at (808) 274-3444
